

NEW HAMPSHIRE
CHARITABLE FOUNDATION

The New Hampshire Charitable Foundation is a 501(c)(3) nonprofit organization that has been working to improve the quality of life in our communities since 1962.

We manage a collection of funds, currently totaling about \$323 million, that are created by donors - individuals, families and corporations - for charitable purposes of their choosing.

In 2005, the Foundation put over \$20 million back into the community in the form of grants and loans to nonprofits and scholarships to students.

Headquartered in Concord, the Foundation roots itself in communities across the state through seven regions - Lakes, Manchester, Monadnock, Nashua, North Country, Piscataqua and Upper Valley.

We are open to selected opportunities to partner with communities where small grants will help to leverage other public or private resources.
